Important Information

Eligibility: Student participation in ANY promotion events are subject to eligibility. Academic requirements and Exhibition completion are required. All fines (library, uniform and textbook) must be paid.

Promotion Expectations: Parents and students are expected to remain seated throughout the entire ceremony. Ample time will be available to take pictures after the ceremony. Water will be provided to all promoting students. Students may choose, AFTER the ceremony, to donate their promotion gowns for scholarship use and rentals for the coming year. The choir will also use some of the donated gowns. There will be a table in the Cafeteria to donate gowns. ALL STUDENTS AND FAMILIES ARE TO EXIT THROUGH THE CAFETERIA AFTER THE EVENT.

Promotion Day Parking: We have very limited parking. Please plan to walk or carpool. As always, do not park in the shopping center parking lot - it is for patrons, not overflow school parking. Parent volunteers will be helping direct parking on promotion day. Please follow their direction for their safety and yours.

Additional **handicap parking** will be available close to the seating area - drive to the end of More Avenue toward the pedestrian bridge - look for the parking volunteer to direct you from there.

Attire: District attire requirements will be enforced at the promotion party and ceremony. Students wearing inappropriate clothing at either event run the risk of not participating. **Please keep in mind that promotion gowns are considered dress code.**
